Pet Agreement

The Lighthouse Resort and Marina is a pet friendly resort that understands pets are an extension of your family. We gladly welcome our Members with small pets. There will be a \$10 fee per month for each pet (two pets maximum) in extended stay sites unless approved by resort. This fee will not apply to guide dogs or assistive dogs - management has a right to ask for validating identification.

I agree to and understand the terms of the Lighthouse Resort and Marina Pet Policy as follows:

- The pet fee is charged to my account per month.
- Pet must not display any aggressive behavior towards other animals or people while at the resort.
- Maintenance Service: I agree to make site available to management and/or maintenance needs and will arrange to have my pet inside my RV to accommodate this service.
- Pet must weigh less than 80 pounds, unless approved by Management.
- Verification that vaccinations are complete and up to date is required
- Pet left unattended outside my RV or when the Member leaves the premises must be secured in a proper pet crate, secure fence or inside the pet owners RV in the campground.
- Pet must comply with local legislation and insurance liability requirements.
- Pet must always be on a controlled leash when not inside of the Member's RV in the campground.
- Pets must not be walked through the pool area.
- Pet must only be walked on the designated pet area(s) of the resort grounds.
- Member is responsible for cleaning up after the pet on resort grounds and properly disposing of the waste in the outside dumpster or as otherwise designated. A \$25 fee will be assessed per incident of lack of proper cleanup/waste disposal.
- Damages caused by my pet to any other part of the resort are my sole responsibility. I understand that my account will be charged commensurate to the cost of such damages. RV site is subject to damage inspection at any time and upon checkout.
- Noise/Disruptive complaints: If resort management receives more than 2 (two) complaints, alternative arrangements must be made for pet.
